All named officials will be deemed judges of fact; additional names will be displayed on the Official Notice Board.

R25.8 Stages will be run at 30 second intervals, therefore there will be no 30 second warnings given. Full details of the Count down Procedure will be given in the final instructions, and displayed at Rally HQ

R25.9 - Pace notes are not allowed but competitors may add notes to the organiser's stage diagrams. R24.11 may apply

R30.1 Controls and checks will be open 5 minutes before due time of arrival of the first car and close on the direction of the clerk of the course.

R31.2.5 - Over target time on a road section (service area) by more than 5 minutes - Exclusion from results

R38.1.2 - A specific service area will be set aside for cars and no servicing will be permitted outside that area.

R40.1 To be classified as a finisher, a competitor must complete the course (all special stages) inside their maximum lateness without incurring the penalty of exclusion.

Punctures - Competitors who suffer a puncture on the circuit **must immediately pull off the circuit**. They may change the tyre and continue if safe to do so. Any competitor continuing to drive on the race circuit or any grassed area with a punctured tyre where the wheel rim is in contact with the tarmac of the race circuit or grass will be excluded from the results and will be liable for the cost of any damage to the surface of the circuit. For this reason, it is strongly recommended to carry a spare wheel, triangle and suitable equipment to complete a wheel change on any terrain. This should be secured in position before scrutineering.

Judges of Fact will be appointed for both the above.

RED FLAGS - All stages will operate a RED flag system in accordance with R24.4.5 and will only be used should extreme circumstances warrant the release of emergency vehicles onto a stage.

R25.6.4 Upon passing a RED Flag displayed by a marshal wearing a marshal's tabard, you must immediately reduce speed and be prepared to stop, at no time must you overtake any safety vehicle that may be encountered on the special stage route. The driver must follow the instructions of any marshal and/or stage safety personnel

Failure to comply will be penalised at the Clerk of the Courses discretion which maybe Exclusion.

STAGE PRACTICE EVENT

Competitors who retire from the event or are excluded for not visiting a Time Control within their permitted lateness will, at the discretion of the Clerk of the Course, be permitted to continue in a Stage Practice event, which will run concurrent with the main event from Stage 2 onwards, provided that:

The crew has not incurred a penalty of exclusion for any reason other than not visiting a Time Control within the time allowed.

It is the same crew in the same car that started the event.

The vehicle has been re-inspected by the event scrutineers.

The decision to allow a crew to continue rests solely with the Clerk of the Course, who may withdraw the competitors' time cards at any subsequent point.

To take advantage of this option, the crew must report their intentions to Rally HQ and arrange for an event scrutineer to re-inspect the vehicle.

With the agreement of the Clerk of the Course, they will then be issued with an appropriate arrival time for the next SSA.

Crews will retain their existing competition number and may continue in approximately their original running order or any order specified by the Clerk of the Course.
