

ADGESPEED /JRT STAGES

COMPETITORS BULLETIN No 1

Dear Competitors,

We are sending you this bulletin to update you with the current situation regarding the running of the Adgespeed/JRT Stages

Further to competitor enquiries the event is currently still running as planned.

We have been informed today by Motorsport UK no spectators will be allowed at the venue, crews must stay in their “bubble group of 5 or less.”

Each team will only be allowed 1 service vehicle, 1 trailer and rally car which must be parked together, this is your “bubble” in the service area.

The following details of your outfit will be required:

Make, Model, Colour, Vehicle registration number (please return to this email address)

The above information is required as space is limited and for social distance reasons. No other vehicles will be allowed into the service area and you will be required to park outside the venue in the public parking area.

Please find attached below the link to your self-declaration form for both Driver and Co driver, at this time this is only for you to read through for familiarisation, this form will be required to be returned **7days** before the event, if this is not returned you will not be allowed to compete on the day.

Drivers – Please ensure your Co drivers have seen this bulletin!

Co drivers – Please do the same!

Failure to comply with any of these rules by competitors or their service crew **will** result in exclusion by the COVID-19 officer.

The onus is on the competitor to make sure you and your “bubble” are aware of this information, these have been sent to all email addresses provided and uploaded to our club website. The event organiser will not be liable in any way for any competitors that haven’t taken the time to read this bulletin and fail to comply with these rules.
