

2022 Summer Gravel PCA Series-Wern Ddu

29th May, 26th June, 4th September and 13th November 2022

SUPPLEMENTARY REGULATIONS

This unique event is aimed at entry-level. Standard cars, road rally cars and smaller powered stage cars are all welcome. The event is held completely on gravel and is suitable for standard cars but sump guards are highly recommended. The track will be available to walk before the event. Test diagrams will be sent to all competitors in the final instructions.

The first car on track will be 9:00 AM. To maximize track time available for all competitors the target is a minimum of 6x runs of up to 3 minutes each with a course layout change for afternoon runs.

Camping overnight is charged at £7.50 and must be pre-paid in advance with the entry fee. Arrivals from 4:00 PM Saturday. Due to the location, car transporter trailers are welcome-please park in the trailer park. Please arrive in time for scrutineering; late arrivals may not be able to access the paddock after the event has started.

This is a non-spectator event and venue however you are welcome to come along and help marshal if you can. Catering arrangements will be announced on our media pages. If none are available, we recommend that you bring provisions for yourself if required. No open fires are allowed.

The Junior Class is open to anyone over 14-years old with no driving experience and includes 2x runs of the full course. Please contact [Andrew Crawley](#) for more details. The Junior event costs £15 and includes family membership of Warrington & DMC. Vehicles must comply with the technical requirements outlined below. A Clubmans RS licence is also required. Places are limited to 4 per event-please book early to avoid disappointment.

Warrington & District Motor Club - Summer Gravel PCA Series 2022

7. AWARDS

For each event:

- Fastest Time Overall (FTO) - Trophy
- 1st in each class -Trophy

Warrington DMC Summer Gravel PCA Series Overall Champion

- The highest number of Championship points gained in the 3 events
- Other awards are at the discretion of the Clerk of Course

Points will be calculated according to a Performance Index for each event class.

$$\text{Performance Index} = (\text{Class Average}/\text{Competitors Time}) \times 10$$

The Class Average is calculated from the best 5 competitors in that class. If there are fewer than 5 competitors in a class then the fastest time will be added in the required number of times to make up the 5 best competitors times necessary to calculate the average.

8. MARKING AND PENALTIES.

Time taken to complete the course	Actual time taken
Starting before the 'Go' signal	10 seconds per offence
Striking a cone	5 seconds per offence
Failure to stop astride the stop lines	30 seconds
Taking an incorrect route on any course (Wrong Test) *	60 seconds
If your car fails to continue you may use another car	No points will be awarded

*If a driver returns to the point of their mistake, and then completes the test correctly, a wrong test does not apply.

9. GENERAL:

- a. Cabriolet/Sports Cars will compete with the hood erected or a hardtop fitted.
- b. Stop astride points may be included in the tests-please check your diagrams. A 30-second penalty applies for not stopping.
- c. Test diagrams will be published with the final instructions. Any changes on the day will be communicated to the drivers at the drivers briefing. All competitors will have an opportunity to walk each test layout before timed runs start for that course.
- d. Each driver will have 3 or more runs at each layout. The number of predicted runs will be announced at the drivers briefing; runs are dependent on weather conditions and delays on the day.
- e. In the case that competitors get the opportunity of a minimum of 3x runs in the morning 1x run can be dropped, the same applies to the afternoon course however if 3x runs are not available to all competitors no times to be dropped.
- f. Competitors will start with a countdown as follows 5, 4, 3, 2, 1, GO from the timekeeper. Timing will start on the word 'Go'. Timing will stop when the car is stopped astride the stop line.
- g. A Stop signal will be displayed if there is an obstruction on the course. A competitor must stop immediately on deployment of the signal and a re-run will be allowed. The Stop signal will be displayed at the drivers briefing
- h. In the event of a tie, the fastest run of the first course will determine the tie and then the fastest on the second course, etc until the tie is resolved.
- i. To be classified as a finisher, competitors must start at least one run at all courses or as per Motorsport UK General Regulations.
- j. The competitor will observe all instructions from the marshals and/or officials.

Warrington & District Motor Club - Summer Gravel PCA Series 2022

- k. You must start and finish the event in the same vehicle you started in to be eligible for points on the day and the championship.

10. PAPERWORK

It is the competitor's responsibility to print off and bring the appropriate paperwork to the event. No paperwork will be provided at the event.

11. IDENTIFICATION:

Competitors will be identified by numbers clearly displayed on both rear side windows or nearest equivalent. Numbers will be provided by the organisers.

12. RESULTS:

Provisional results will be on display throughout the event or as soon as possible at the end of the event at which point any protest must be lodged correctly within 30 minutes (C5). Otherwise, the results will become final and the awards presented. Results will be sent out by e-mail as soon as possible after the event and published on the [ANWCC](#) website.

13. OFFICIALS

If you need to contact any officials please do so before 8 pm. All test details will be published with the final instructions. If you need assistance in finding the venue, contact one of the Officials. Final instructions will be issued during the week leading up to the event.
