- The scoring for the club's 2023 stage rally championship is to be calculated using two separate scores combined to provide both fair and clear results. The calculation for these will be one score for a competitors overall finishing position, and the second for their class position. These are both made up as follows.

Part 1 - Overall Score:
Number of Points Awarded = Total Number of Event Starters – Overall Finish Position

Part 2 - Class Score:
1st in Class = 50 Points
2nd in Class = 49 Points
3rd in Class = 48 Points
Continues down to 0 Points.

Scoring Example:
A competitor finishing 15th Overall and 3rd in Class on an Event with 60 Starters
Overall = **45** Points (60 – 15) Class = **48** Points
Total Points Awarded = **93** Points
